Bring A Friend Week September 26th to Oct 1st 2011

We are dedicating a week to friendship! Part of the fun of growing up is sharing what you love with people you love.

All classes this week will include content for friends to try out what our classes offer and an opportunity to share our passion for the arts.

Please Pick up your Friend Invites at the Office
We can't wait to meet your friends!

Find us on Facebook!

You can find all your favourite teachers and dance friends on our new FACEBOOK Fan Page. We encourage all dancers and their parents to become a fan to receive updates and reminders. This is a great way to see videos and pictures and see what is going on at your favorite studio.

Find us at: Ambition Performing Arts

APA staff will no longer have clients on their personal pages.

Class Day & Times not working for you?

We value your business. If you should need another class time or a different type of class, we encourage you to come to us as soon as possible so we can find a solution quickly. We appreciate that your child's needs change throughout the year and encourage you to keep open communication with our office and teachers to help you have a great season!
